The Log will then be downloaded as a PDF.

STEP 2

Once the assessment log has been downloaded, you should perform an initial verification check. Verifiers undertaking an initial verification check should check that the assessment log has been fully completed by the applicant and the assessor. This should include:

- Cited evidence of knowledge source and evidence of application.
- Clear assessment comments provided by the Assessor.
- Whether clarifications or resubmissions of evidence were required, for what reason, and when
- The date the standard was agreed as met is given.

STEP 3

Following the initial verification check of the assessment log, undertake a brief sampling of the evidence. By clicking on the indicators.

Key questions to ask as a verifier:

- Is the assessment log fully completed for each standard?
- Does the portfolio appear to be the applicant's own work?
- Does clarification and resubmission evidence appear to be sufficient for the standards you have sampled?
- Have any observations been carried out by an appropriate professional?
- Which standards have you sampled?
- Have you checked all the supporting information e.g. curriculum vitae, reference and testimonial?

STEP 4a

If you are satisfied with the standard you have sampled then you will need to click 'Verify'. This will open a new window where you can add your verification comment.

STEP 4b

If you are not satisfied that the standard you have sampled has been assessed sufficiently then you will need to click 'Refer'. This will open up a new window where you can add your verification comment for referral.
