## 2. Setting up notifications, changing password and editing your profile

When you click on the Avatar a dropdown menu appears that will allow you to configure your account.

**STEP 1** From the menu click on **Notifications** to choose how often you'd like to receive an email with notifications for **Messages** and for **Candidate Submit Digest** (you'll notice there are other 'digests' in the list - as these are not required they can be left).

A screenshot of the 'Email Notification Settings' form. The form has a title bar with 'Email Notification Settings' and a close button. Below the title bar is an 'Email Address' input field. The form contains several sections, each with a heading and a question, followed by radio button options:

- Message Digest**: Do you wish to receive an e-mail each day with all your new messages from that day, or an email each time someone sends you a message alerting you to that message. Options:  No,  Per Message,  Daily.
- Evidence Upload Digest**: Would you like to receive a daily e-mail digest of evidence uploaded by your learners? Options:  No,  Yes.
- Interim Verification Digest**: Would you like to receive a daily e-mail digest of interim verifications of your learners? Options:  No,  Yes.
- VQ Award Digest**: Would you like to receive a daily e-mail digest of VQs awarded to your learners? Options:  No,  Yes.
- Candidate Submission Digest**: Do you wish to receive an e-mail each day with all your new candidate submissions from that day, or an email each time a candidate submits something for you.

A hand cursor is pointing at the 'Evidence Upload Digest' section.

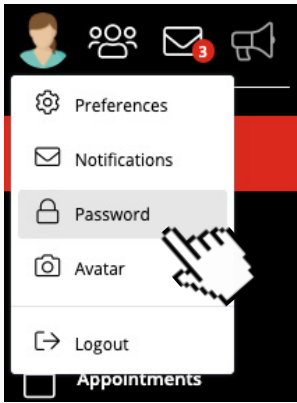

We recommend that you choose to receive daily notifications.

Please note that if 'No' is selected this will result in no alerts being delivered to your email address.

Any new notifications that come in will be emailed to you. Click on the email icon to the right of your Avatar to open them.

**STEP 2** Change your password by tapping on your Avatar and selecting **Password** from the panel.

Follow the instructions in the pop-up to create a new password.

A screenshot of a 'Change Password' form. At the top left, it says 'Password' and 'Change your Password.'. At the top right, there are logos for 'City & Guilds' and 'Learning Assistant'. The form has three main sections: 'Change Password' (a header), 'Current Password' (a text input field), 'New Password' (a text input field with a 'Suggestions' button to its right), and 'Confirm New Password' (a text input field). A red button labeled 'Change Password' is located at the bottom right of the form.

**STEP 3** Change your avatar by tapping **Avatar** from the dropdown menu.

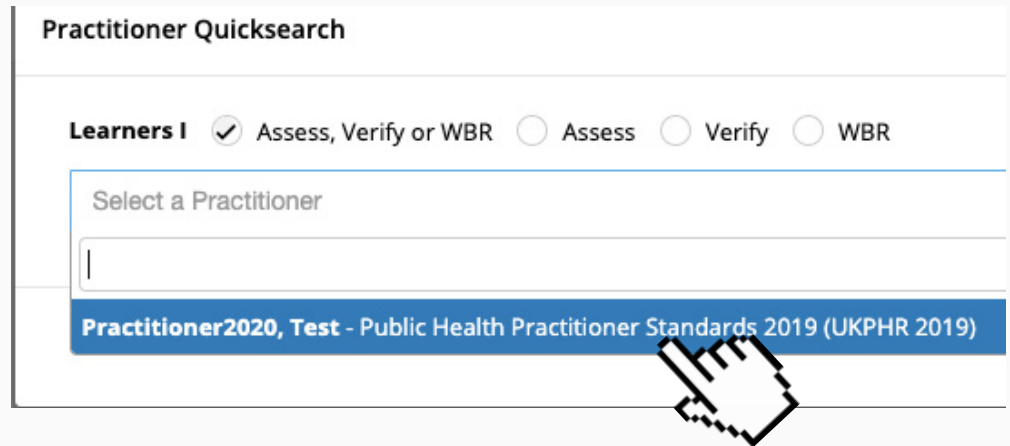

Follow the instructions in the pop-up to upload a new image. Be sure to click **Upload Profile Picture** before closing the pop-up.

A screenshot of an 'Upload Avatar' form. The title 'Upload Avatar' is at the top left. Below it is a placeholder image of a person's head and shoulders. To the right of the image, the text reads: 'To change your profile picture, choose a file below and upload.' Below this text is a large grey rectangular area representing a file selection interface, with a 'Choose File' button on the right side. At the bottom right of the form is a red button labeled 'Upload Profile Picture'.

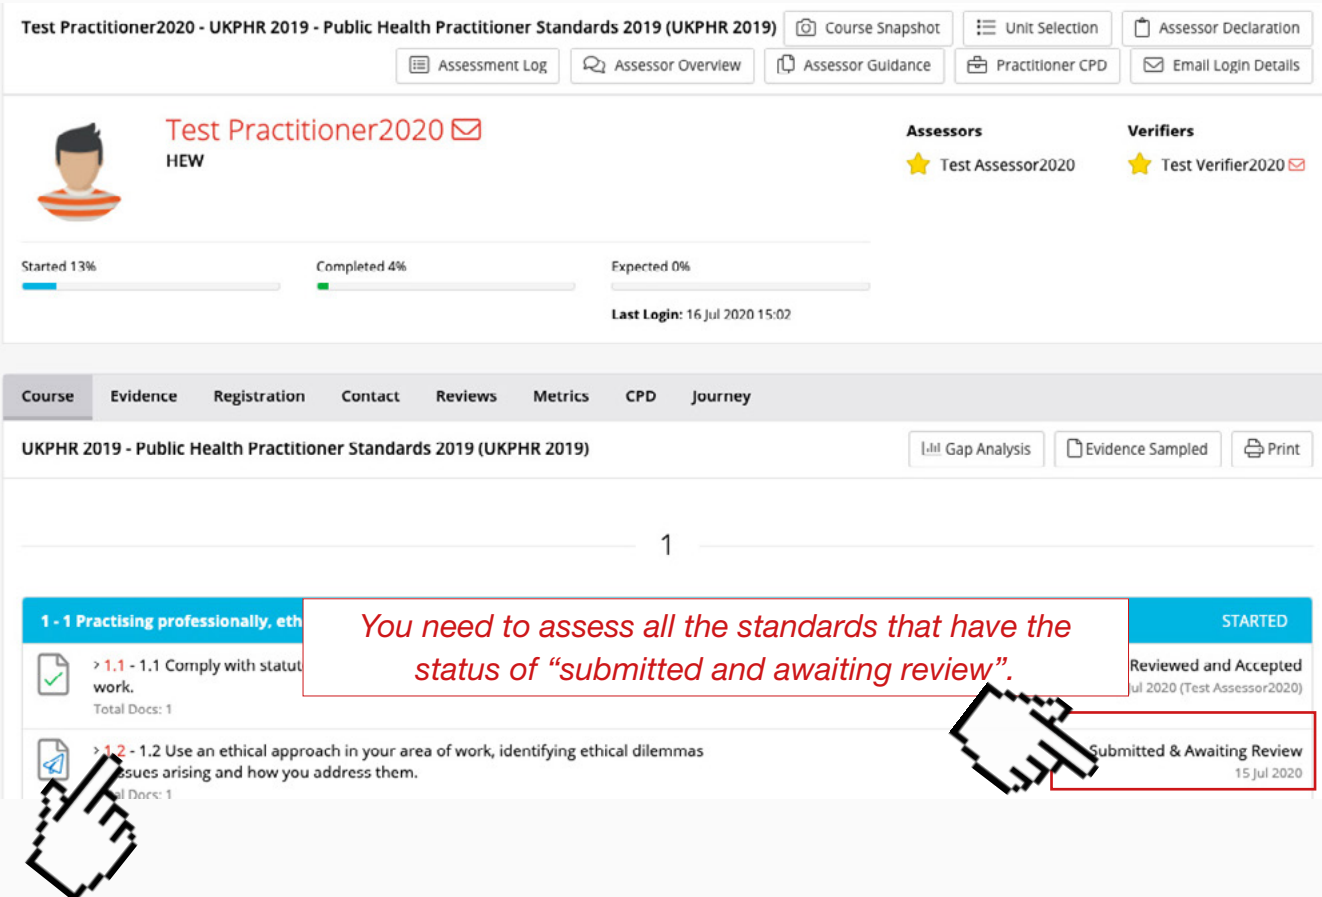

### 3. Finding and navigating your Practitioner's portfolio

In the e-portfolio, each Practitioner has a Course Folder which displays all 34 standards and their associated standards. Additional sections are also listed in the Course Folder for: Supporting Documents (for example, a CV and Job Description); as well as the required Application Forms.

**STEP 1** To locate the practitioner's portfolio, go to the **Quicksearch** functionality. To open the Quicksearch click on the Practitioner icon and then click on the practitioner you wish to assess..

The practitioner's e-portfolio will open at the Course Folder page.

**STEP 2** To begin the process of assessment click on the relevant standard from the Course Folder.

You will then see a page containing the work uploaded by the practitioner.

*For every standard submitted for assessment there's usually a minimum of three documents: Commentary; Evidence of knowledge; Evidence of application*

Print PDF Choose Evidence Evidence Wizard

Evidence	Type(s)	IV	2.3
 Commentary	C	<input type="checkbox"/> 	✓
 Evidence 2	NA	<input type="checkbox"/> 	✓

Completed (Assessor Only)

**STEP 3** To open either the commentary or the evidence, click on the file name and the file will be downloaded to your PC.

All original evidence files are protected. This allows any changing or editing to take place safe in the knowledge that originals will remain unchanged.

# 4. Making an assessment decision

Once the Commentaries and Evidence have been reviewed, you can make an Assessment Decision based upon whether the work uploaded adequately meets the indicator being claimed. **To make an assessment decision on Clarifications and Resubmissions follow the same steps as outlined in this section.**

For each individual standard there are three assessment decisions you can select from **Do NOT use Partially Accept for any assessment decision**

### Accept

Assessor considers that the evidence presented demonstrates competence against a standard in terms of knowledge, understanding and application in practice.

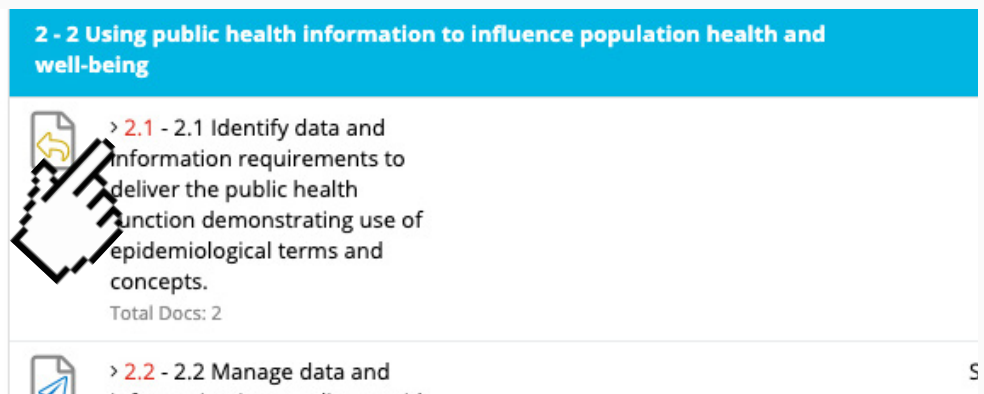

### Clarification:

Assessor believes the practitioner has or could provide evidence to meet the standard, but requires more detail.

### Resubmission

Assessor believes the evidence is inadequate to meet the standard and new evidence derived from a different piece of work is required. The reason for resubmission should be explained clearly.

**STEP 1** Select the standard you wish to assess from the Practitioner’s Course Folder.

**STEP 2** Click on and download the evidence you wish to review from this standard.

Evidence	Type(s)	IV	2.3
Commentary	C	<input type="checkbox"/> ⓘ	✓
Evidence 2	NA	<input type="checkbox"/> ⓘ	✓
<b>Completed (Assessor Only)</b> <input type="checkbox"/>			

**STEP 3** Select the assessment decision you have decided to give the standard and click the relevant button. Once clicked this will open the Contact Diary (the Contact Diary is where the assessment decisions are recorded on the e-portfolio) window to allow you to explain your decision.

**STEP 4** First, you should click the **Private Box** so that your Practitioner cannot see the assessment decision straight away.

**Private**  
 (Practitioner or Company will not see)

Indicator 2.2 Accepted as Complete

*i*  
 Make sure you don't write your feedback in this box! You need to scroll down to the Feedback box seen below.

**Feedback**

This standard has been accepted. The Practitioner has demonstrated their knowledge of this standard by providing evidence of the masterclass they attended and have reflected in their commentary of their understand of the knowledge gained and how they applied this to their practice. They have provided evidence of the minutes of the meeting they attended to demonstrate application.

**STEP 5** Scroll down to the **Feedback Box**, you must provide the reasons for your assessment decision. Once your comments are complete click the **Save** button.

You will now see the element status matches the assessment decision you have chosen.

**Status:** Element Reviewed and Accepted (21-07-20 Test Assessor2020)

## 5. Publishing your feedback

The primary use of the privacy box is to hide assessment feedback until you're ready to present it to the practitioner. Once you have assessed everything that has been submitted by the practitioner for the specific commentary you will need to go into each standard and un-tick the Private box.

There are 2 ways that this can be done and which one you use will depend on your preference

### Option 1. Change Privacy via the Contact Diary

**STEP 1** Go to the Contact Diary by clicking on the tab in the Course folder

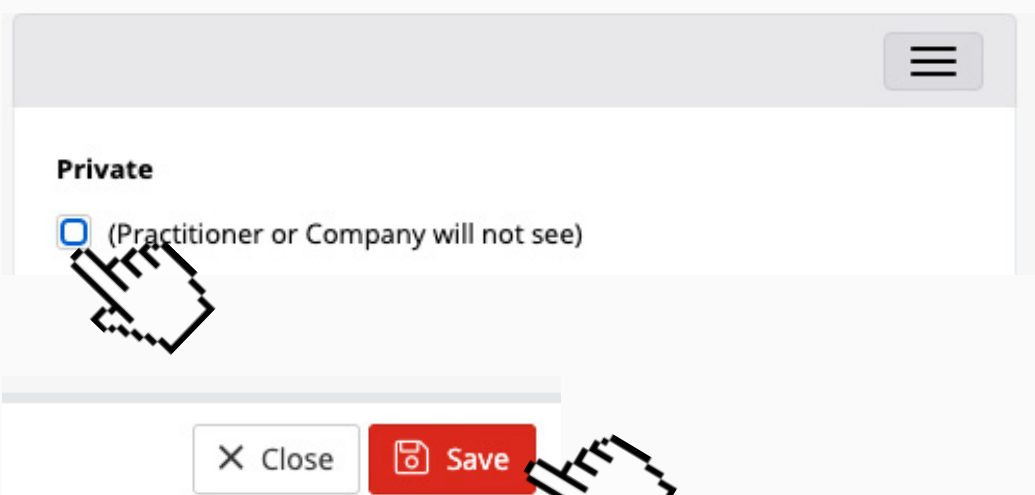

**STEP 2** Locate all the standards that have been assessed and marked as private.

**STEP 3** For each one of these you will need to click on Edit to change the privacy.

**STEP 4** This will open the Contact Diary in a new window where you can un-tick the Private box.

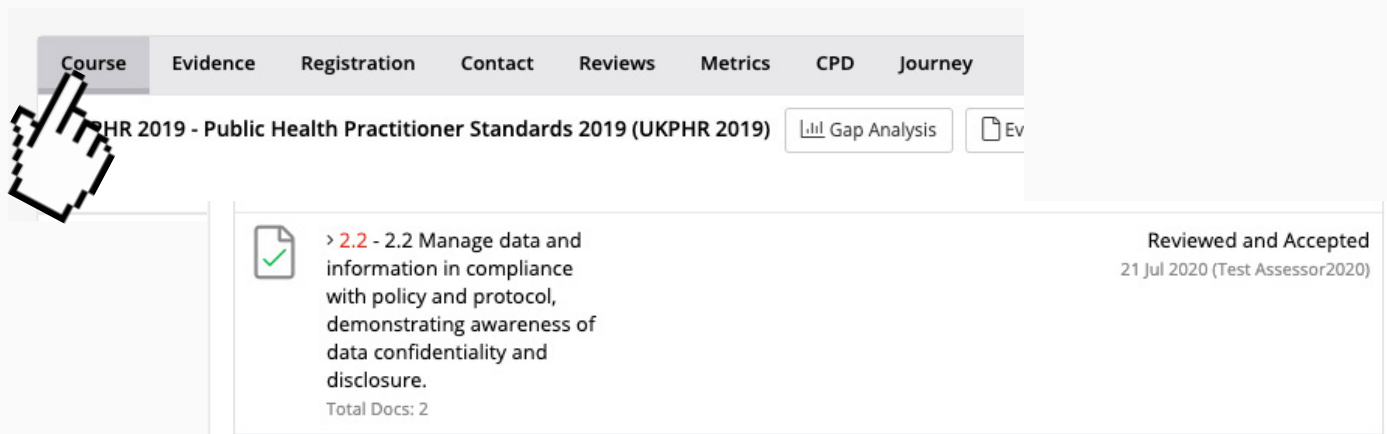

**STEP 5** Click on Save to complete the process.

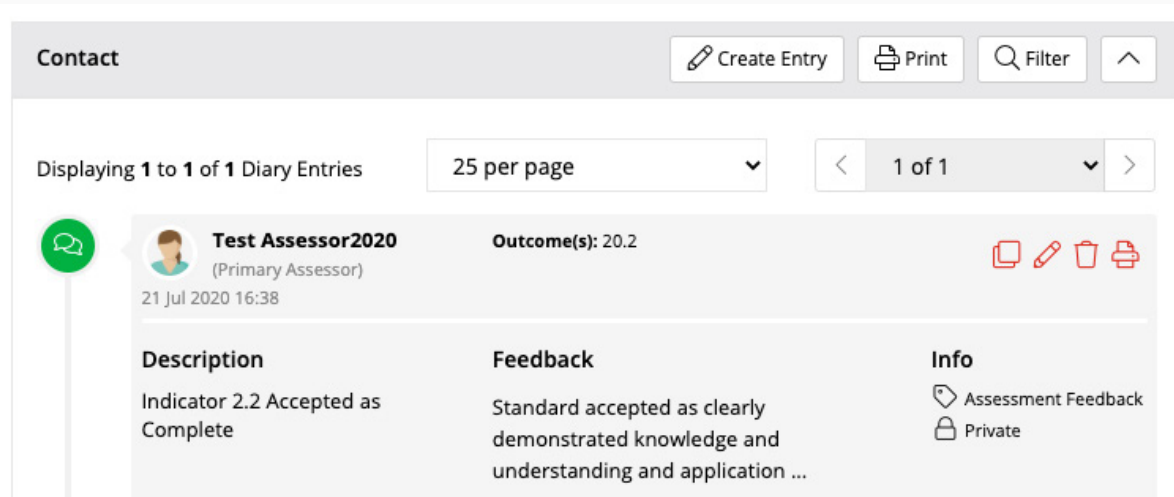

Repeat this for each standard you have assessed.

## Option 2. Change Privacy via the Course Folder

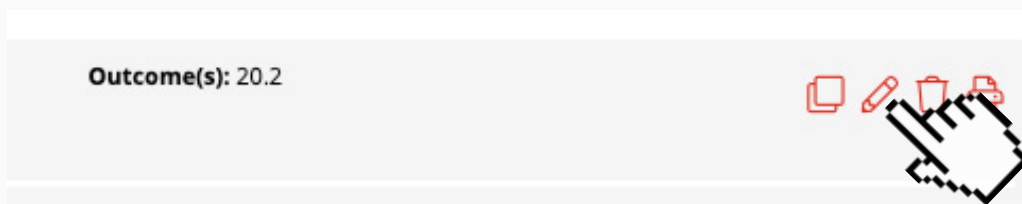

**STEP 1** Go to the Course Folder and locate the standards that have been assessed.

**STEP 2** Click into each one and scroll down until you can see the Contact Diary entry where your assessor comments are.

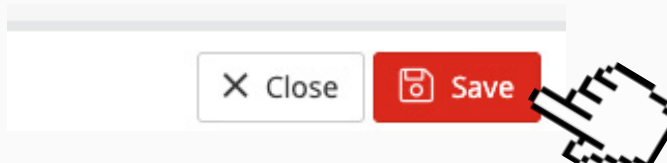

**STEP 3** Click on Edit to change the privacy.

**STEP 4** This will open the Contact Diary where you can un-tick the Private box.

**STEP 5** Click on Save to complete the process.

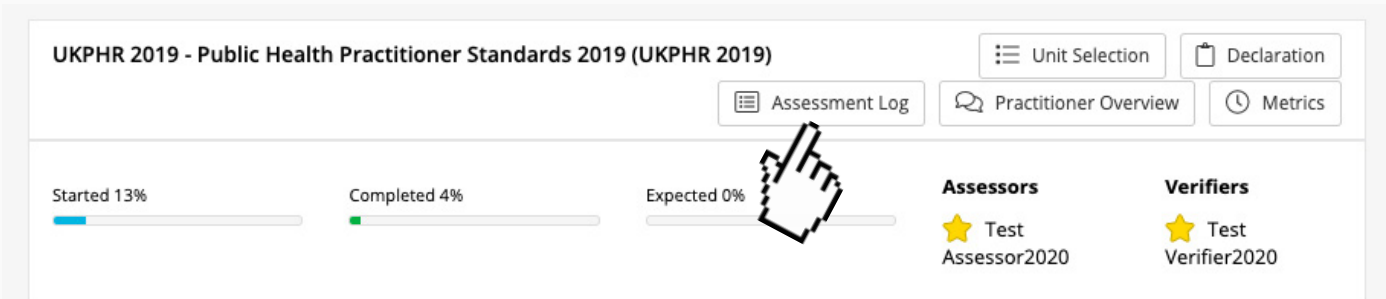

Repeat this for each standard you have assessed.

## 6. Assessing Clarifications and Resubmissions

To assess a clarification or resubmission that your practitioner has addressed you will need to follow the steps in [Section 4](#) and [Section 5](#).

## 7. Downloading the Assessment Log

**STEP 1** Download the Assessment Log (the log is automatically populated via the e-portfolio)  
Go to the Course folder and click on **Assessment Log**

The screenshot shows the course interface for 'UKPHR 2019 - Public Health Practitioner Standards 2019 (UKPHR 2019)'. At the top right, there are buttons for 'Unit Selection', 'Declaration', 'Assessment Log', 'Practitioner Overview', and 'Metrics'. Below these are progress bars for 'Started 13%', 'Completed 4%', and 'Expected 0%'. To the right, there are sections for 'Assessors' (Test Assessor2020) and 'Verifiers' (Test Verifier2020). A hand cursor is pointing at the 'Assessment Log' button.

Click on **YES** to confirm your decision.

 You can download the Assessment Log at anytime.

The Log will then be downloaded to your PC as a PDF.

## 8. Final steps

### Assessing supporting information

Once the portfolio is ready for verification there are a set of Supporting Documents that will need to be signed off. This section must contain the following documents:

Course	Evidence	Registration	Contact	Reviews	Metrics	CPD	Journey
Other .1 - Supporting Documents							

- A completed application form
- A current CV
- Their current job description
- Copies of original certificates certified as genuine by a senior colleague.
- A Testimonial
- A Reference

**STEP 1** To sign off the supporting documents, follow the normal procedure choosing from the Accept; Clarification or Resubmission as

shown on [page 8](#) of this guide.

### Assessing application forms

Practitioners will submit completed **Application for Verification Form** and the **Application to UKPHR for Registration Form** that will need to be signed off.

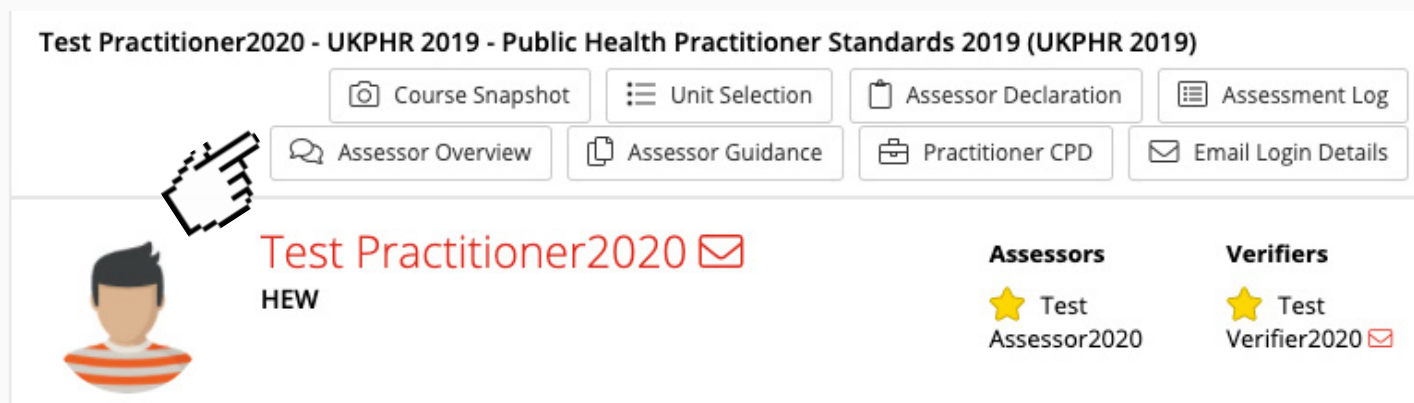

**STEP 2** To sign off the application forms, follow the normal procedure choosing the

Accept, Clarification, or Resubmission as shown on [page 7](#) of **this** guide.

## Completing the assessor overview

Once the portfolio is ready for Verification, you will need to complete the Assessor Overview.

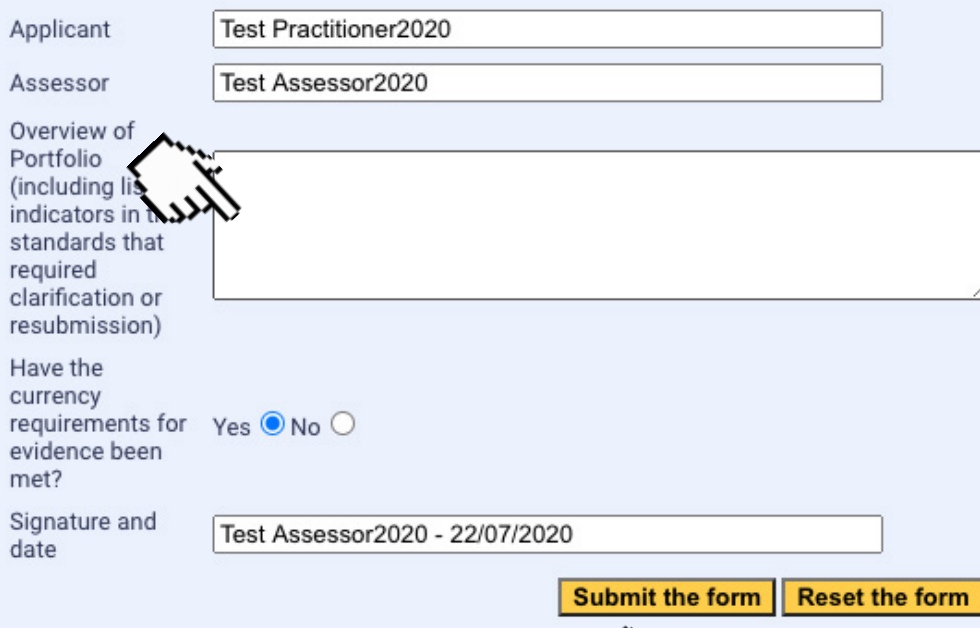

**STEP 3** Click on the **Assessor Overview** link in the practitioner's course folder.

**STEP 3** A pop up box will appear and you will need to fill out the **Overview of Portfolio** box. This should be a short paragraph providing a summary of the assessment. You should list all the standards that required clarification or resubmission.

**STEP 4** Confirm whether or not the Currency Requirements have been met.

**Assessor overview of portfolio** - To be completed by the assessor once the portfolio has been assessed.

**STEP 5** Complete the signature and date section and once you are happy click on Submit.

The assessor overview is for the whole portfolio, mainly for the verifier and verification panel. The assessor overview comment should indicate the overall organisation of the portfolio; the level of work; currency of work; the number of pieces of work; and a list of the clarifications and resubmissions that were requested.
